7 SCALE-TEC TANK / SILO WEIGHING SYSTEM

Loadcell with Mounting Assembly for Tank / Silo Weighing System

Weighing Range	:	100 kg to 100MT
Resolution	:	1 / 10,000
Number of Load cells	:	3 / 4 / 6 / 8 (As per Silo / Tank Design)
Weighing Controller	:	Panel Mount / Wall Mount / Flame Proof
Power Supply	:	0-220V AC-24V DC
Communication	:	RS232 / RS485 Modbus RTU / 4-20mA / 0-10V
Temperature Range	:	5˚C to 50˚C

ACCURATE & RELIABLE
High precision weighing for accurate inventory management.

CUSTOMIZABLE DESIGN
System design as per silo / tank capacity and industry requirement

RUGGED & DURABLE
Industrial grade load cells with strong mounting assembly.

SMART CONNECTIVITY
Multiple communication options for seamless integration
